Legislative Update

The following information has been provided from the HealthCare.gov website (<http://www.healthcare.gov/law/about/provisions/services/lists.html>) and is being sent as a courtesy to keep you informed on the status of the Health Care initiatives taking place in our government.

Preventive Services Covered under the Affordable Care Act

If you implement a new health insurance plan or insurance policy beginning on or after September 23, 2010, the following preventive services, when delivered by a network provider, must be covered without having to pay a copayment or coinsurance or meet a deductible.

Covered Preventive Services for Adults

- Abdominal Aortic Aneurysm one-time screening for men of specified ages who have ever smoked
- Alcohol Misuse screening and counseling
- Aspirin use for men and women of certain ages
- Blood Pressure screening for all adults
